Dr. Pulkit Agarwal

Consultant Pulmonologist

MBBS, DNB (Respiratory Medicine), EDARM (Switzerland), IDCCM

Over 11+ Years of Experience

★★★★★ 4.9 (4800 Ratings)

Dr. Pulkit Agarwal is a distinguished Pulmonologist and Critical Care Specialist with over 11+ years of progressive clinical experience in managing complex respiratory and ICU cases. He is currently here with us as Consultant in Pulmonary Medicine at Silver Streak Hospital, Sector 87, Gurgaon, and continues as Consultant in Pulmonology & Critical Care at CK Birla Hospital, Gurgaon.

Renowned for his expertise in advanced diagnostic and therapeutic procedures including Bronchoscopy, EBUS, Thoracentesis, Biopsy, and Spirometry interpretation, Dr. Agarwal is committed to delivering evidence-based, patient-centric care. His clinical leadership extends to managing critically ill patients, developing tailored treatment strategies, mentoring healthcare teams, and fostering transparent communication with patients and families.

Previously, he has served Medanta The Medicity, Medeor Hospital and Paras Hospital, Gurgaon, where he honed his expertise in ICU management, invasive procedures, and multidisciplinary care.

Academically, he holds an MBBS from Subharti Medical College, Meerut and an MD in Chest & Tuberculosis from Era's Medical College, Lucknow. He also pursued as Fellow in Critical Care Medicine at Medanta The Medicity, Gurgaon. His contributions include research publications, faculty roles at national conferences, and presentations on ICU-related complications, reflecting his commitment to advancing pulmonary and critical care medicine.

Driven by a passion for clinical excellence and compassionate service, Dr. Agarwal continues to make a meaningful impact on patient outcomes and healthcare standards.
