

Dr. Pooja Singh

Consultant Pediatrics
MBBS & MD Pediatrics

★★★★★ (5850 Ratings)

Dr. Pooja Singh is a skilled and competent pediatrician and newborn specialist practicing in Gurgaon. She is a member of the central team of the prestigious Indian Academy of Pediatrics and is a highly dedicated, ethical, and compassionate doctor with over 7+ years of extensive experience in child care and the treatment of childhood infections and disorders.

She has received recognition for her thesis presentation at a national conference of the Indian Academy of Pediatrics (IAP) and is an avid academician, with publications in renowned journals. She offers her expertise in basic and advanced newborn care and resuscitation, growth and development monitoring, immunizations/vaccinations, behavioral pediatrics, childhood illnesses, infections, and adolescent care. She is empathetic, well-trained, and has successfully managed more than 800 very low birth weight (VLBW) babies in high-level NICUs with excellent teamwork and resilience.
